**Subject: Amendment to Para 4.12 of the BRGF Guidelines**

Dear Sir

The Backward Regions Grant Fund Programme is designed to redress regional imbalances in development using the medium of local governments. Each of the local bodies in the programme district is expected to perform the role of planning and implementing the programme. In line with the spirit of this concept, the third sentence in Para 4.12 of the guidelines is amended as follows:

“In case the works are outside the domain of the Panchayats and Municipalities, the concerned local bodies may decide the implementing department / agency and get the works executed through them with clear powers of monitoring and supervision with the local body concerned.”

Kindly ensure that the above provision is given effect to immediately.

With regards,

Yours sincerely

(P. K. Kesavan)
